7" Label Large Hole Label Template
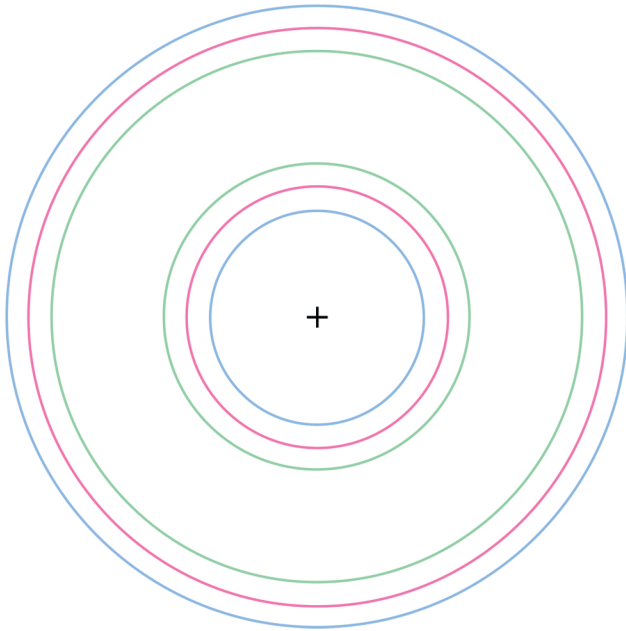

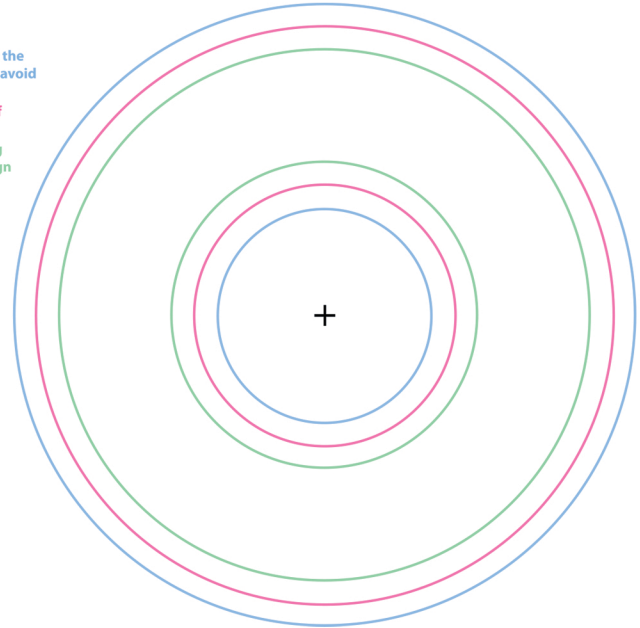

- Make sure your design extends to the outside edge of the Bleed Area to avoid white borders around your print.
- The trim line indicates the edge of your final print.
- To avoid any essential items being cut off, keep text and critical design elements inside the Safety Area.

Please make sure all type is in the safety line and all artwork extends to the bleed line.
The three colored circles shown above are, from outside to inside:
Outside bleed, trim and safety: large hole safety and large hole cut edges.

Please indicate ink colors (Use CMYK and PMS inks only)
Light PMS colors tend to darken or become more yellow during the manufacturing process.
